# WORKING WITH MIDDLE EASTERN & MUSLIM YOUTH

April 8<sup>th</sup>, 2016: 9:30am – 11:30 am

Clinic Psychology Manitoba, 1020 Lorimer Blvd, Suite 502

**DR. REHMAN ABDULREHMAN**  
P.H.D., C.PSYCH., REGISTERED CLINICAL PSYCHOLOGIST

This workshop is ideal for psychologists, psychiatrists, school psychologists, counselors, therapists, teachers, social workers, physicians and others who work in supportive roles. It will look into detail on the cultural aspects that shape Middle Eastern and Muslim youth, and how this impacts their mental health. This workshop will provide insight and practical skills in cross-cultural therapy and interpersonal relationships. There will be a talk, followed by a Q &A, and an intimate discussion. Please register early, as there are only 15 spots available.

By the end of this workshop participants will understand:

- The role of culture and acculturation on mental health
- Cultural beliefs and values of Middle Eastern and Muslim people
- Best practices, and implications for therapy
